

Forward: 344 **Total Cattle** comp, 115 Young Bulls, 172 Bullocks & Heifers & 57 Breeding Cattle

A good show for quality and numbers in early July, and a decent trade too. A huge ringside of potential customers all looking to keep sheds full and as a consequence prices achieved were ahead of expectations. The breeding cattle sale had a useful entry, and like the store ring, trade was better than expected.
