

**Forward: 206 Total Cattle** comp, 57 Young Bulls, 111 Bullocks & Heifers & 38 Breeding Cattle

A decent entry for a mid-summer sale, with something for everyone, from black & white bullocks to good retail type heifers. All found new homes at prices fully up holding those seen recently. Breeding cattle were dearer than previous sales probably as there is a little more grass now available.

## YOUNG BULL PRICES
