

Forward: 370 **Total Cattle** comp, 92 Young Bulls, 155 Bullocks & Heifers & 123 Breeding Cattle

A tidy show for the time of year, and trade for the stronger cattle and better quality cattle fairly similar to the previous sale, although commercial yearling heifers would be better value for money than recently.

A larger entry of breeding cattle met a large audience of prospective bidders who were slightly more cautious than of late.
